

What does it mean
to **'believe'**?

Belief is truth held
in the mind;
Faith is a fire in
the heart.

**“If I have the belief
that I can do it,
I shall surely acquire
the capacity to do it
even if I may not have it
at the beginning.”**

~ Mahatma Gandhi

Why is belief
important?

Malala Yousafzai: Belief in Change

Malala Yousafzai first came to public attention through her diary, published on BBC, which detailed her desire to remain in education and for girls to have the chance to be educated.

When she was shot in the head in October 2012 by a Taliban gunman, she was already well known in Pakistan, but that one shocking act catapulted her to international fame.

She survived the dramatic assault, in which a militant boarded her school bus in Pakistan's north-western Swat valley and opened fire, wounding two of her school friends as well.

The story of her recovery - from surgery at a Pakistani military hospital to further operations and rehabilitation in the UK, and afterwards as she took her campaign global - has been closely tracked by the world's media.
