Additional Comments:

- [My daughter] enjoys school and is making great progress. It was lovely to receive Mr Mitchell's letter over half-term about her progress. Would like to see "Show My Homework" back as we found it more accessible and easier to use. We do think Triple Science should be streamed. When [our son] was here, it was only the top set that was allowed to do triple science and this worked more successfully.
- [My son] is very happy here and has improved over the last 6 months in his attitude to learning which is thanks to the ongoing support and communication from the teachers. In particular, thanks to Mrs Dewhurst.
- Mr Swift [House Achievement Leader for Africa] is the best!
- We have 8 years experience of Parklands with over three children. They have all received a high standard of education and have been consistently well safeguarded. They have all enjoyed Parklands and the opportunities they have been given.
- Exceptional support from Mr Pilling and the HALs team.
- Overall we are very pleased with the school.
- I am delighted with [my son's] progress. I am pleased to know that teachers are offering period 6 sessions to ensure he reaches his target grade.
- More information on Google Classroom as we, as parents, can't access Show My Homework.
- [My daughter] is very happy at school and is doing well, so we are pleased and have no worries.
- Very good school.
