

# Making decisions

In the next few weeks Year 8 will make a decision that will impact the rest of their time at Parklands. On a daily basis we make decisions constantly, but are we aware that they could be impacting our lives in the long-term?

## How do you ensure you make the right choice?

“Everything in your life is a reflection of a choice you have made. If you want a different result, make a different choice.”

**MAKE A  
DECISION**

Make a decision...

*or life will move on you and  
make you act*
