DIVIDED KINGDOM: HOW THE UK VOTED BY REGION

The UK has voted to leave the European Union. Voters have shocked the political and financial ruling class by ignoring their advice and warnings. Britain has emerged as deeply divided.

Do you think it was the correct decision for Britain to leave the EU?

Are you happy with the referendum result?

Literacy

Literacy

Noun of the day:

advocate

a person who publicly supports or recommends a particular cause or policy.

Boris Johnson was an advocate for leaving the EU

Literacy

Adjective of the day:

retrospective

looking back on or dealing with past events or situations.

In order to explain how the EU works, it is necessary to give a retrospective sketch of its history.
